

AGNITIO PHARMA

Creating bonds, Igniting Innovations

CATALOGUE

2022

Welcome to Agnitio!

Agnitio Solutions was established in 2013 with a foundation principle of building and implementing great ideas that drive progress for clients and enhance lives through enterprise solutions.

Agnitio Pharma “Creating Bonds, Igniting Innovations” is a research-oriented organisation established in 2018 in Noida, State of Uttar Pradesh, India. We have a team of high professionals in the field of synthetic organic chemistry which includes medicinal chemistry, custom synthesis, generic product development (API & Intermediates), clinical research, toxicology, analytical, process development, and intellectual property.

Our vibrant team of scientists who are engaged in the diversified chemical synthesis and promised to deliver high-quality lab & research chemicals.

With an idea and innovation, we are focussed on developing high-quality pharmaceutical reference standard/in-house working standards (IP, BP, EP & USP), metabolites, stable isotope labelled compounds, impurities (Raw Material, KSM, Process Impurities, API & formulated drug), etc.

We look forward to serving with renewed vigour and strong determination in the business year 2022-23.
